Covid-update

We are classed as a 'whole school bubble'. This means that should we have a positive COVID-19 case in school, (pupil or staff), the whole school would close. Primarily this is due to the fact that Mrs Birkinshaw teaches in each class each week. So far we have done really well, but keep ringing and asking if you are at all unsure about whether or not a child should be in school.

Please keep to social distancing rules when dropping off and collecting children and this includes **not** parking on the school driveway or across the school driveway. The Welsh guidance also requests that parents wear face masks when dropping off and collecting children. Please see letter attached.

Hamper draw

We are going to have our usual hamper draw this Christmas and as such will have 2 non-uniform days. In return for wearing non-uniform we ask for each child to bring into school one luxury item for our hampers. This could be a bottle of wine, box of mince-pies, packets of nibbles, boxes of chocolates, luxury preserves, Christmas puddings, tubes of sweets etc...

Please could your child come to school in non-uniform on

Monday 30th November

And

Monday 7th December

Christmas Activities

- There will be a Christmas lunch in school as usual.
- We will have a special visitor although from a distance as we wouldn't want him getting COVID at this busy time.
- We have bought environmentally-friendly glitter to use!
- Class 2 are hoping to send Christmas cards to residents in a residential home for the elderly this year.
- There will be a nativity movie for you to watch starring your child!
- We will have a socially distanced Christmas disco in school time!

School Questionnaire

This term we would like to collect your views about school and school life. It is one of the ways that you can express your concerns, if you have concerns, but also to make suggestions which might enable the school to work even closer with our parents. When you get the questionnaire, please try to complete it honestly – we do take your comments seriously, and are always looking for ways to improve. The questionnaire will be an electronic one with a link to be sent via e-mail to all parents.
